Keywords: ICACT2011, Abstract Preparation

Abstract: The title should be concise and informative. Do not use all capital letters for the entire title. Capital letters should only used for the first letter of key words. The font size of the title should be Times New Roman, 14 points, Centered and Bold.

Leave a 12 point space between the title and author names. Present the author's affiliation addresses below the names. Indicate all affiliations with a lower-case superscript letter immediately after the author's name and in front of the appropriate address. Provide the country name for each affiliation if it is not obvious. Full postal address is not required.

The family name, i.e. the last name, of all authors should be in capital letters, e.g. John CAMBELL, M.B. LEE, Daniel RICHARD, Frank ZIMMERMANN. Clearly underline the Corresponding Author, e.g. John CAMBELL. Please provide the email, fax and telephone (with country and area code) for the Corresponding Author.

Leave a 12 point space between the author's affiliation addresses and the keywords. The keywords should be provided for indexing or categorizing your paper.

Leave a 12 point space between the keywords and the abstract. A concise and factual abstract is required (**no more 1-page**). The abstract should state briefly the purpose and objective. It should be an explicit summary of your presentation that states the problem, the methods used, and the major results and conclusions. Do not include scientific or engineering symbols, acronyms, numbers, bullets, or lists inside the abstract. It should be single-spaced in Times New Roman **12 point type**. Be sure to adhere to the word limitation (**400 words**). Your abstract should be written on A4 size paper, and submitted in PDF file form.
